My Dear Mr. May.

I received your notice of y^e Meeting of y^e Ex. Com. & fully intended writing you in answer to mine, but was so occupied that it skipped my mind till too late for Monday's Mail. I should have voted, however, to recommend y^e Circulation of the Standard by Mail agreeable to y^e Vote, Giving's decision in regard to y^e Presidency would have determined me on y^e best point. When y^e Sick goes to her last mooring's his Funeral should be at y^e Main.

I had spy Thru last

you asked me about funds.
The books are not posted for
this month yet, but I ex-
pect I shall have on hand
about $500 or $600. This
of course, will not settle
up here, tho' it is impos-
sible to tell what may
come in in April.

Yrs. very truly
S. H. Fay
